

**VOLUNTARY REMEDIATION PROGRAM
DEPARTMENT OF ENVIRONMENTAL MANAGEMENT**

PROJECT SUMMARY

Site Name:	Marcus Parcel
Applicant's Name:	Bernard W. Marcus
Site Location:	8840-8844 Indianapolis Boulevard Highland Lake County
VRP Site Number:	6951103
Project Manager:	Andrea Robertson
Date Application Received:	November, 1995
Date Project Completed:	December, 1998
Project Duration:	3 years, 1 month
Contaminant Group(s):	Volatile Organic Compounds (VOCs)
Media Cleaned Up:	Subsurface Soil, Groundwater
Cleanup Goals Achieved:	Tier II Nonresidential (Soil) Tier III Nonresidential (Groundwater)
Deed/Land Use Restrictions:	Nonresidential

Project Description: This site was previously a gasoline station and is currently a vehicle leasing center. The cleanup involved the installation of an *in-situ* air sparging system and soil vapor extraction with the injection of oxygen-releasing compounds to treat petroleum-contaminated soil and groundwater, in place, to remove the volatile contaminants. At the conclusion of the project, soil and groundwater samples collected from the area indicated that Tier II and Tier III Nonresidential cleanup levels were met.
